Cairns Conference 2019

Edition 2 - "Conference Gossip"

Your update on conference progress for Cairns 2019.

MY - HASN'T TILLY GROWN !

I visited Tilly at James Cook University Campus, Smithfield last week and was amazed how much she has grown. Jennie, from the turtle rehabilitation centre first estimated she would be approximately 30 cm by October, as she is already an

estimated 16 cm long she is going to be a big girl. She is currently being fed prawn meat - and loves it!!

Jennie's work in turtle rehabilitation will be featured on Better Homes & Gardens soon

THE CONFERENCE LOCATION

The Cairns Pullman International hotel has rooms allocated for our conference dates. We obviously won't have conference numbers until registrations are received but early indications are that our attendance figures will be strong. Should you require special services or bathroom access etc, you are urged to book early as these rooms are limited. Should you want an alternative but close hotel to the venue, there are many - some suggestions would be:

- Pullman Reef Hotel Casino - is directly across the road.
- Hilton Hotel - is a 6 minute walk.
- Pacific Hotel Cairns - is a 4 minute walk.
- DoubleTree by Hilton - is a 12 minute walk.
- Ibis Styles Cairns - is a 12 minute walk.
- The Abbott Boutique Hotel - is a 3 minute walk.
- Comfort Inn Cairns City - is a 17 minute walk.

- Driving and want motorhome or cabin accommodation? - BIG4 Ingenia Holidays Cairns Coconut Resort is a 10 minute drive away.
- Also Airbnb properties would be available

Important – when booking your conference accommodation, you must quote the following booking ID – BBID2076707

Pullman Hotel - Pool Deck

The welcome dinner on Thursday will be held on the beautiful pool deck of the hotel. The theme will be nautical in honour of Tilly and the weather in October will range between 30 degrees in the day to 20 degrees in the evening. This will be an informal evening giving you a chance to catch up with Inner Wheel friends.

Something for the Men

While all the girls will be hard at work in our business session on Saturday, we have made arrangements to keep the men amused.

They will be able to take a bus tour to the Australian Armour & Artillery Museum at Smithfield.
