30th June 2020

Dear Inner Wheel Friends

So the 30<sup>th</sup> June 2020 has come around as it should, and I shall relinquish my chain of office to 2020-21 Inner Wheel Australian President Elizabeth. I know Elizabeth and her team will have a wonderful year working together for this Association which we all love so much.

I have had so many wonderful occasions during my year, visits to Districts and meeting many of our members who have been supportive and generous in their hospitality and friendship. I shall treasure all these moments and count amongst you many new friends. It is indeed a shame that my visits were curtailed by the COVID 19 virus but this pales into insignificance against the devastating problems that are being felt around the world at this time. The Changeover and Conference will remain as highlights with memories never to be forgotten

I shall prepare a full report to be presented to the Annual General Meeting to be held by Zoom on the 17<sup>th</sup> October, but I wish to acknowledge the tremendous support of my Secretary and Treasurer, both Helen's, who have worked diligently throughout the year. I certainly could not have completed my term without that support and backup.

This year has been one of many challenges but as an Executive Committee we have done our very best to meet these challenges. Droughts, floods and bushfires and now a pandemic have all impacted on our way of life and my primary concern throughout the year has been the health and wellbeing of all our members.

I wish Elizabeth every success in her role and she can be assured of my continued support throughout the year. I am sorry that the changeover could not have been as we would have wished and the cancellation of the 2020 conference a great disappointment.

I thank each and every one of you for the friendship and support that many of you have shown me personally and those who continue to contribute to the wellbeing of our Association.

Please stay safe and well.

***Friends make the world a better place.***

In friendship
